**M/S. Rownak A'Asma Trading**

P.O. Box: 786, P.C: 122

Sultanate of Oman.

**Mr. Hasan Salim Almahroqy - General Manager**

After compliments,

**Subject: Beton Asfalti Company (Italy Trento) - Audit**

Reference to the above mentioned subject, please note that a factory audit for the manufacture of the cold asphalt M/s Beton Asfalti was carried out by Muscat Municipality jointly with M/s Rownak A'Asma Trading (the supplier in Oman) from 12 May 2023 to 20 May 2023. In this connection, our observation and comments are as listed below:

| Facility                                          | Comment      |
|---------------------------------------------------|--------------|
| Cold asphalt plant.                               | satisfactory |
| The company stores and packing.                   | satisfactory |
| Quality assurance procedures and the testing lap. | satisfactory |

| Material                        | Manufacturer              | Supplier                  | State             |
|---------------------------------|---------------------------|---------------------------|-------------------|
| Cold Asphalt (KaltAsphalt Plus) | M/s Beton Asfalti - Italy | M/s Rownak A'Asma Trading | Approved as noted |

Please note that this approval is strictly subjected to continuous compliance with the Project's Specifications and all other relevant Contract Documents. This will not relieve the contractor from his obligation to ensure the supplied material is suitable for the purpose intended in according to the specifications of the project.

Regards,

**Engr. Hilal Said Mohammed Al Mamari**

**Director of Projects**
